USB Lithium Pivot Screwdriver

With the new RYOBI® USB Lithium Pivot Screwdriver saving you both valuable time and effort, you'll find yourself flying through whatever DIY tasks you find yourself getting stuck into!

Powering up your DIY performance

Unlike its manual counterparts, this powered screwdriver provides you with far greater levels of productivity thanks to its 5Nm of forward and reverse torque. Whether you're assembling or repairing furniture, in the garage or the garden, the USB Lithium Pivot screwdriver is your perfect DIY accompaniment for tackling all small screws.

Thanks to the convenient pivoting head, you'll be able to work at both straight and right angles, to drive in even the tightest and hardest to reach spaces - breezing through previously problematic tasks.

Its lightweight design, as well as an ergonomic grip handle and paddle trigger, means you can drive with comfort and precision for prolonged periods. What's more, the dual-illuminated LED work light ensures a well-lit work space, whatever the environment you're working in.

USB LITHIUM

RYOBI

Included with the tool are 2x25mm screwdriving bits, which can be stored on board, and combined with a ¼" hex tip means you can change bits in seconds - so you can jump straight into that DIY project right away!

And, with a number of compatible accessory kits that are additionally available to support the universally-supported ¼" size, RYOBI® has you covered from start to finish.

Why RYOBI?
Part of the expanding USB Lithium range of tools, this screwdriver is powered simply by a single lightweight and ultra-convenient USB-C rechargeable battery, which can swiftly be swapped over to other tools in the range, including the USB Lithium Power Carver, Cutting Tool and Rotary Tool Starter Kits.

- 5 Nm of forward and reverse Torque to make easy work of driving applications
- Dual-illuminating LED Work Light lights up your work space
- ¼" hex collet - ensuring universal adaptability
- Pivoting Handle for extreme versatility, for use at straight and right angle positions.
- All powered by a single, removable USB Lithium battery

ABOUT US

RYOBI® power tools are backed by the RYOBI® 3-year warranty.

*Registration required for extension from 2 to 3 years for battery powered and electric tools. Please visit our website www.ryobitools.eu within 30 days of purchase for detailed information about warranty conditions and extension registration. This warranty is valid in the European Community, Switzerland, Iceland, Norway, Liechtenstein, Turkey and Russia.

Outside these areas, please contact your authorised RYOBI dealer to determine if another warranty applies. Warranty extension from 2 to 3 years excludes petrol tools. Standard 2-year warranty still applies to all petrol tools.
